

The Great Lakes District Alliance Men

IMPACT **2016**

Sylvania Alliance Church - Sylvania, Ohio

What you need to do.

1. Pick one man from your church to promote this ministry to the people in your church. It would be nice if the Pastor promoted this and another man be the contact man to organize it.
2. Make copies of the bulletin insert (front and back) and place in your bulletin several times through February and March.
3. If possible play the IMPACT 2016 video (found on our website) to your congregation.
4. Pick **1 or more** scheduled workdays that you will organize a group (men women and teens) from your church to come to Sylvania and help with the work. We provided a sign-up sheet for you to post in your church.
5. Once a date is picked email Brian Tinker at Brian.Scott.Tinker@gmail.com and let him know the date. Then keep up with him as to how many people will be coming so we know how to plan.
6. Also, don't forget to organize a group of people to come out June 18th to help us distribute flyers throughout the neighborhoods.
7. Encourage the people in your church to donate whatever they feel God may be leading them to donate to help us cover the costs of building materials.
